

Carramar Golf Course

Slope 117, Blue 6121 Mts, White 5565 Mts
4 Par 5's 10 Par 4's 4 Par 3's

1st Blue 319 Mts
White 299 Mts
Par 4, Index 14

Downhill, to a well protected green a tree on the left comes into play on the side you should be aiming for, avoid the tree and you should be OK green has large bunkers on the right, so approach from the left fairway if possible

Note: Course distances may vary depending on tee being used

2nd Blue 454 Mts
White 432 Mts
Par 5, Index 8

A long snake fairway with a large sandy area on the right and fairway bunkers also on the right. The green is protected by a large bunker also on the right so left fairway when you can this is a long par 5

3rd Blue 357 Mts
White 322 Mts
Par 4, Index 7

straight par 4 harder than it looks, a couple of fairway trees need to be avoided giving golfers a thinking hole where ball placement is important. A small green is tucked away on the left to add to the difficulty.

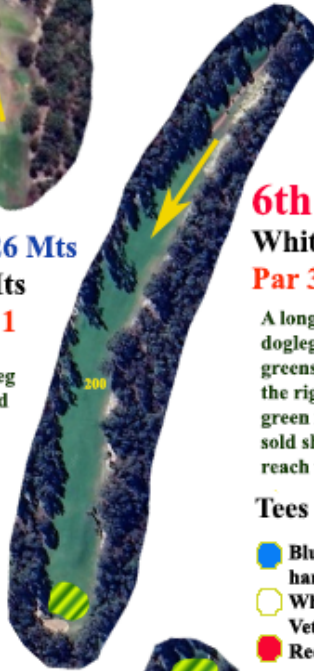

4th Blue 153 Mts
White 138 Mts
Par 3, Index 12

A short par 3 surrounded by bunkers front and left so you need to aim to the back of the green. Another fairway tree encroaches on the right has to be carried as this is slightly dogleg left right side is your target line

5th Blue 426 Mts
White 377 Mts
Par 4, Index 1

A long par 4 dogleg left needs two good shots to make the green. It is very sandy on the left so aim center right of the tee, green is large but has a large bunker behind.

6th Blue 190 Mts
White 159 Mts
Par 3, Index 10

A long par 3 slight dogleg right and a greenside bunker on the right so left of green is safest and a solid shot needed to reach the green in one.

Tees explained

- Blue = Club Competition handicap used
- White or Yellow = Guests or Veterans
- Red = Youth or Ladies

7th Blue 291 Mts
White 269 Mts
Par 4, Index 15

A sharp dogleg left but a large fairway makes this a good hole for scoring, you will need to be right side of the wide fairway. The green is protected by a deep bunker right of the green

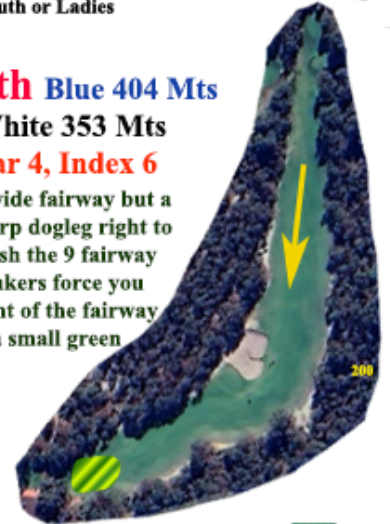

8th Blue 516 Mts
White 474 Mts
Par 5, Index 2

A difficult par 5 slight dogleg left but very sandy on the right where you need to aim and this gives you a tight landing zone. The green is protected by a large bunker in front right and a bunker left of the green so a thinking golfers hole.

9th Blue 404 Mts
White 353 Mts
Par 4, Index 6

A wide fairway but a sharp dogleg right to finish the 9 fairway bunkers force you right of the fairway to a small green

Carramar Golf Course

10th Blue 316 Mts
White 289 Mts
Par 4, Index 11

A lake on the right should not come into play but some trees on the right will make you aim center left.

Note: Course distances may vary depending on tee being used

11th Blue 177 Mts
White 143 Mts
Par 3, Index 16

A straight par 3 trees slightly in play on the left but an easy scoring hole

Tees explained

- Blue = Club Competition handicap used
- White or Yellow = Guests or Veterans
- Red = Youth or Ladies

12th Blue 360 Mts
White 323 Mts
Par 4, Index 5

A slight dogleg left and huge bunkers protecting the green means approach from the right of the fairway is your best option.

13th Blue 423 Mts
White 374 Mts
Par 4, Index 3

A difficult hole snaking to a large green the left side is quite sandy so care needs to be taken because you need to approach from the left.

14th Blue 456 Mts
White 431 Mts
Par 5, Index 9

A long par 5 the green is protected with large bunkers on the left so placement of your second shot is critical

15th Blue 345 Mts
White 320 Mts
Par 4, Index 13

A dogleg left but a well protected green a fairway bunker and sandy scrub on the left should be avoided.

16th Blue 126 Mts
White 116 Mts
Par 3, Index 18

The shortest par 3 on the course, reachable iprotected by two bunkers but aim for the back and you should score

17th Blue 376 Mts
White 337 Mts
Par 4, Index 4

Doglegging right with a well protected green

18th Blue 432 Mts
White 409 Mts
Par 5, Index 17

A good finishing hole fairway bunkers and
