Principal Changes Introduced in the 2024 Rules of Golf

Rule 1.3c(4) Applying Penalties to Multiple Breaches of the Rules

The Rule has been amended so that determining whether breaches are related or unrelated is no longer part of its application, meaning that there will be fewer instances where multiple penalties will be applied.

Rule 3.3b(4) Player Not Responsible for Showing Handicap on Scorecard or Adding Up Scores

The Rule has been amended so that **a player is no longer required to show their handicap on their scorecard**. The Committee is responsible for calculating the player's handicap strokes for the competition and using that to calculate the player's net score.

Rule 4.1a(2) Use, Repair or Replacement of Club Damaged During Round The Rule has been amended to **allow a player to replace a damaged club**, provided the club has not been damaged through abuse.

Rule 6.3b(3) Substitution of Another Ball While Playing a Hole The penalty for playing an **incorrectly substituted ball** has been reduced from the general penalty to one penalty stroke.

Rule 9.3 Ball Moved by Natural Forces New Exception 2 provides that **a ball must be replaced if it moves to another area of the course** after being dropped, placed or replaced. This also applies if the ball comes to rest out of bounds.

Rule 10.2b Other Help Rule 10.2b has been amended to provide **that neither the caddie nor any other person is allowed to set an object down to help the player with the line of play** or other directional information (such as when the player cannot see the flag stick), and the player cannot avoid penalty by having the object removed before the stroke is made.

Rule 11.1b(2) has been amended Principal Changes Rule 11.1b Ball in Motion If the ball accidentally hits person or an outside influence: The place from where ball must be played Rule 11.1b has been rewritten for clarity. Rule 11.1b(2) has been amended to provide that if a ball played from the putting green hits an insect, the player or the club used to make the stroke, **the ball is played as it lies** – the stroke is not replayed.

Rule 21.1c Penalties in Stableford

The Rule is amended to provide that penalties in relation to clubs, time of starting and unreasonable delay will now be applied to the hole in the same way as regular stroke play. The same amendment is made to Rule 21.3c (Penalties in Par/Bogey).

Rule 25 Modifications for Players with Disabilities

The introduction of new Rule 25 means that the modifications provided in the Rule apply to all competitions, including all forms of play.

General Changes

Back-on-the-Line Relief Procedure The back-on-the-line relief procedure is amended to provide that **the player is required to drop on the line**. The spot on the line where the ball first touches the ground **when dropped creates a relief area that is one club-length in any direction from that point**. This amendment is redirected in changes to Rules 14.3b(3), 16.1c(2), 17.1d(2), 19.2b and 19.3, and the definition of relief area.

How to Proceed When Stroke Must Be Replayed

Several Rules that used the phrase "stroke does not count" (such as Rule 11.1b) have been amended so that the **failure to replay a stroke when required to do so**, while still a breach of the relevant Rule, **no longer carries the potential for disqualification**

2.2 Monthly Medal - Stroke (each month January to December – may include Club Championship)

Stroke play – 12 winners, each to receive a medal or special day prize.

2.3 Champion of Champion's Cup.

Played on the January Monthly Medal Stroke day - Normal Monthly Medal rules apply. The previous 12 Monthly Medal winners (January – December) are the only players entitled to compete for the **Champion of Champion's Cup** (plus the previous years Champion of Champion's Cup winner who is entitled to defend the cup). (Possibly 13 players). The **Champion of Champion's Cup** winner will have the best score of all 13 eligible players.

The **Monthly Medal** for January is played in conjunction with the **Champion of Champion's Cup** and is open to all members playing on that day so any member can win the January Monthly Medal. A Prize will be awarded for the **Monthly Medal Winner** and for the **Champion of Champion's Cup Winner**.

The winner of the January Monthly Medal will be eligible to play in the next **Champion of Champion's Cup**.

2.4. Away Games (Touring Pro Award)

At least Nine (9) away games are scheduled each season, to be played as individual Stableford; winners play for normal prizes, unless a specific trophy has been nominated.

Touring Pro Award

The best-performed player (best averaged four (4) rounds) in the away games, will receive a gift. *Has been donated in the past.*

2.5 Four Club Stableford (Ken Dalais Trophy)

Use four clubs only

2.6 Par Champion (Richard Kuzimski Par Record Trophy)

The best-performed player (best averaged three (3) Par rounds), will receive The Richard Kuzimski Memorial Trophy. *Richard Kuzimski (5 handicap) scored a magnificent plus 11 Par round on the 15th August 2015 with a Gross Stroke Score of 65 a club record.*

2.7 Eclectic

Is included on all regular club rounds (excluding away games, novelty and some combination rounds). Played during January 1st to December 31st, Minimum 30 rounds.

Prizes are awarded in grade order based on the member's final Eclectic score divided by the member's average handicap for that season (Lowest to Highest). Three grade winners are available: A Grade, B Grade and C Grade. (Players moving i.e. from C Grade to B Grade etc. will play in the grade level as at December 31st of each year).

2.8 Golden Balls

The best-performed (improved) player based on the difference in handicap for the year.

Note: Not open to new members joining after April 1st that year, because the initial handicap will require an adjustment after eight (8) games played or because of Golf Link handicap adjustments that require twenty (20) games applied to determine a correct handicap. To qualify you must play 30 or more games.

2.9 Club Member of The Year (Ian Fairchild Trophy)

Nominated by the Members votes, the trophy is presented to the club member whom has made outstanding contribution to the club or social club during the year.

2.10 Life Member

Nominated by the Members, Life Members pay 50% of the scheduled membership fees, and have full member rights.

3. Tours

3.1 Country Trip

Played usually Stableford for the Saturday round (handicapped for Golf Link) and Sunday to be arranged by the Captain. (handicap to stay the same for the two rounds)

Note: This event is to be financed by the players and all prizes and associated costs will not be funded by the club.

3.2 International / Interstate Tour

Played as arranged over participating days. (not handicapped for Golf Link).

Note: This event is to be financed and organised by the players and all travel, insurance and accommodation expenses, prizes and associated costs will not be funded by the club.

3.3 Casual or Requested Tours

Played as arranged over participating days. (not handicapped for Golf Link).

Note: This event is to be financed and organised by the players and all travel, insurance and accommodation expenses, prizes and associated costs will not be funded by the club.

4 Handicap

4.1 Handicap – Golf Link

To obtain a Scuds Golf Link handicap you must submit three 18 hole stroke cards at Whaleback Golf Course, which must be marked and signed by a SCUDS member.

Note: An official Australian (Golf Australia) handicap can only be issued by golf clubs that are affiliated with a State Association that is a member of Golf Australia, which in Western Australia is **Golf WA**. *The Scuds Social Golf Club Inc. is a member of Golf WA.*

Once you have forwarded your three (3) cards to our handicapper, the committee and handicapper will then meet to determine your handicap and you will be allocated your official Scuds Golf Link handicap and issued with a Scuds Golf Link Card.

If you already have a Golf Link Card that handicap will be used once you join SCUDS and pay the appropriate fees due, and a new SCUDS Golf Link card will be issued.

4.2 Novelties

When playing in team events, each player is entitled to play for the novelties regardless of who's ball has been selected to play.

For Example; Player "A" has used only 3 drives and needs one more at the 18th hole. Player "B" is entitled to play a shot to attempt to get nearest the pin.

Stroke Maximum Score

Players whom cannot finish a hole, i.e. for a lost ball/s or ball lost in the rough or too many shots in a bunker can declare a maximum score for that hole and keep playing in the round, the maximum scores are Par 3 = 7, Par 4 = 8 and Par 5 = 9. You must declare that you are entering a maximum score for that hole and enter the appropriate score.

Stroke Match play

Match play is a hole-by-hole contest; based on your handicap for that hole, think of it as 18 one-hole contests. The winner is the player who wins the most holes. When a player is more holes up than there are holes remaining to play, he wins. This means that matches can end before the 18th hole or they can go beyond 18 until a winner is decided. Match play even allows for ties. In those cases, a halved match results in each team being awarded a half point.

7. Club Members Badge

7.1 Club Members Badge

All members will be issued with a members bag tag which should be displayed on the golf bag.

8. Club Shirt

8.1 Club Shirt All Games,

The White Club shirt is to be worn for all games, players are required to purchase the official white club shirt upon successful application for membership. Shirts are substantially discounted for members and include the club logo.

8.2 Home Games,

For home club games white shirts or the international tour shirts may be worn.

9. General (To be read in conjunction with local course rules)

9.1 Preferred Lie, on the fairway, shall be taken in accordance with the course rules, for Scuds, this is a club length, no nearer the hole.

9.2 Bunkers Shall be played as the ball lies, although you can move loose impediments and if the bunker is damaged, or the ball is in a shoe imprint, animal scratching or water, after agreement with your marker, it may be smoothed and placed, no nearer the hole.

9.3 Slow Play The lowest handicapper in each group shall ensure that the group maintains its place in the field behind the group in front. Slow groups or groups searching for lost ball (min 3 minutes) should immediately call the other group through.

9.4 Honour Players should play when ready at the next tee off, the group should maintain its place in the field irrespective of whose honour to play.

9.5 Combined games Players paired in combined games, where a player does not have a partner, the lowest handicap player in that group will combine with each player to form two groups of pairs, make up a group of three etc. In Ambrose competition an adjustment to handicaps may be used.

9.6 Dress Code Players should comply to the dress code standard at each course played.

9.7 Blue Tees At Whaleback members will play off blue tees, members over 64 with a handicap over 20 may play off white tees if they wish, ladies may play off red tees. For away games member will play off white visitors tees, unless advised otherwise.

Par (Bogey) competition challenges players to beat their own handicap par. If players better their par, they score a '+' (plus) for the hole. If players equal their own par, they are said to have halved or squared the hole which is scored with an 'O'. If par is not achieved, a '-' (minus) sign is recorded. At the end of the round the plus and minus signs are added and the net result written in as plus, minus or 'all square'. Player with the highest plus score is the winner.

Ambrose Competition (preferred lie rule change)

This event can be played as a two, three or four-person event. Each player plays a tee shot at each hole. The Captain then selects the best drive, which is then marked by its owner. The other members retrieve their balls and in turn place their ball on the fairway (one club length no nearer the hole, or if in the rough, drop in the rough within one club-length of the selected position (no nearer the hole) and play their second shots. If in a bunker smooth and place. This procedure of selecting the best position continues until a ball is holed. When on the green, balls are placed on the selected marked spot.

This event can be played as a gross event, the Club Captain will determine the number of drives per team, with each group having a spread of handicaps, or as a handicap event where a fraction of the aggregate handicaps is used. The most common method of determining handicap is:

- Two-person event – ¼ of aggregate stroke handicap;
- Three-person event – 1/6 of aggregate handicap;
- Four-person event – 1/8 of stroke handicap.

4 Ball Stroke (2 Players)

Both players play their own ball throughout; For example, Players A and B form one team, at the end of each hole, the low score between the two partners on each team is that team's score.

Where single players are entered (see rule 9.5)

i.e. two players: player A on an 18 handicap and player B on a 9 handicap. At each hole the player's handicap for that hole is calculated, the player with the lowest score records the result.

SCUD'S TRI-GOLF Each player plays 18 holes
 6 holes of Stroke
 6 holes of Stableford
 6 holes of Par

Each player must nominate the game that he wishes to play prior to teeing off on the 1st, 7th and 13th tees

Example of scoring system

Player Name		
Stroke Score	30-	
Deduct 1/3 handicap	<u>6</u>	(18 handicap)
	24	
Deduct Stableford score	<u>12-</u>	
	12	pts scored
Add a "-" Par score or		
Subtract "+"Par score	<u>+1</u>	
	11	TOTAL
	(The Lowest score is the winner)	

Stroke

Players record the number of strokes taken at each hole and total them up at the end of a given round, or rounds. The player with the lowest total is the winner. In handicap competitions, the player would subtract their handicap from the total (gross) score to generate their net score, and the player with the lowest net score is the winner. Players need to record the Stableford score for handicap purposes.

5. Game Booking Procedures

To play a round of golf with The Scuds Social Golf Club Inc. the following procedures apply
 Pay the green fees as per booking procedures to the Captain, Vice Captain, Treasurer or his delegate, or:

- * Ring and apply to the Captain.
 Failure to observe the above procedures may result in not being able to play on the day.
- * All home games are arranged by the Handicapper (fixtures) & Captain (match day).
- * All away games are arranged by the Handicapper (fixtures) & Captain (match day).
- * Special games are arranged by the Captain.

6. Golf Competitions

Stableford involves scoring points based on results at each hole. Using the index for each hole, players are able to make a mental allocation of their full handicap for each of the 18 holes.

For example, a player on a handicap of 18 will add one shot to the par value of each hole to determine their own par for the hole. The points scoring method is then calculated by allocating two points for a par, one point for one over, three points for one under, four points for two under, and so on. 1 over handicap Par = 1 pt, Par = 2 pts, 1 under = 3 pts, 2 under = 4 pts etc.

Stableford Scud Ball (Eclectic may be allowed) (Pick Partners)

A Ball is given to playing pairs, (this is usually a coloured ball) and is played alternately between the pair (ie odd holes or even holes). The other playing partner uses their own ball when not playing the scud ball, and scores their own stableford score. At the end of the hole, if the scud ball is still in play, the partners add both their stableford scores, then swap over the Scud ball.

If you lose the SCUD ball then the pair are out of the prize money and take a 2 shot penalty, but still continue to play and score their stableford points for handicapping, noveties etc.

The winning pair are the ones still with the SCUD ball (handed in after the game) and the highest aggregate stableford score at the end of the game.

Aggregate Stableford (Eclectic may be allowed)

The net scores are determined by adding the individual scores of the Team members.

Ukraine Stableford (Eclectic may be allowed)

This is a pairs event. The two Stableford scores are multiplied together to create a team score on a hole by hole basis. For example, if one of the partners scores 3 points and the other scores 2 the result is 6, but if one player scores 2 and the other wipes the hole the result is 0 or a wipe for the pairing. In effect both players must score on each hole, even 3 x 1 is 3 points scored.

Split Stableford (Pairs)

Players play in pairs off normal handicap, the best score on each hole from either player is recorded for the team event, Handicap and Eclectic allowed, so players also record individual scores.

Stableford – Split (Secret) Stableford (Eclectic may be allowed)

Players play normal Stableford, But players play in groups of two, three or four and play in different groups, and the scores for each group is tallied at the end of the round. The Captain shall determine the groupings and players usually do not know their playing partners until the end. *Where odd numbers are entered the captain will nominate players to play in two groups. The selected player is eligible to win in both groups. (see By-Law 9.5)*

Stableford Split Sixes Competition (4 Person event) (Eclectic may be allowed)

Teams of four players each play their own shots throughout, but the first six holes the two best Stableford scores are added, the next six holes the best three Stableford scores are added and the last six holes all four Stableford scores are added. At the end the highest team total is the winner.

Constitution

1. Definitions and Interpretation

- 1.1 In this Constitution unless the contrary intention appears, "accounts" means profit and loss account, income and expenditure account and balance sheets, and includes statements, reports and notes attached to or intended to be read with any of these profit and loss accounts and balance sheets.
